We have Caring Kids’ Club here at WHBI!

Queensbury School District has a long tradition of giving back to the community. In keeping with this tradition, we would like to offer our fourth and fifth graders an opportunity to see that they can make a difference in the lives of others.

We plan to meet on the second Tuesday of the month, to perform acts of caring for our local and global communities. The ideas for projects will come from our members, but may include: making cards for soldiers or veterans, sending emails to sick children, visiting a local nursing home, or holding a book drive. Typically we will stay after until 3:45, but we may stay later for special events.

Our first meeting will be Tuesday, October 8th. You child may ride the activity bus home or be picked up at school at 3:45. The activity bus may drop your child off at a slightly different location than usual. Please call the bus garage with specific questions.

If your child is interested, please return the slip below, to Mrs. Higley by Friday, September 27th. You may call (824-2600) or email us with any questions. Thank you.
