

## January 2013 - Week 3

**Paul Stockman,  
elementary building  
supervisor**

This Queensbury resident has worked in the district for 20 years. Paul is currently the elementary school building supervisor and has also worked as a maintenance employee for the district.

**Damian Switzer,  
high school principal**

This Queensbury resident returned to the district this year as the high school principal. Damian previously spent 10 years with the district as a high school physics teacher and assistant principal.

### **What do you enjoy about being a part of the Queensbury school community?**

"Working with a great bunch of people who guide our children's future. Queensbury offers so much opportunity for our kids."

"Queensbury is an outstanding school district. I am excited to be back as the new QHS Principal, and proud to call QUFSD my home once again. The quality of our academic programs, extra-curricular activities, and unique opportunities for students have always impressed me. The dedication of the staff, students, and community support make Queensbury a great place to live, work and play."

### **When you're not working, what are some of your favorite interests and activities?**

"I enjoy riding my Harley, spending time with my family, and vacationing at the beach."

"I enjoy spending time with the family, my wife Jennifer, and our two boys, Kilian and Aidan. Our family outings range from skiing, to exploring Lake George, to riding the ocean waves and digging for clams off Cape Cod. We also enjoy attending concerts, school activities and athletic events to cheer for our Spartans!"

### **In what ways do you try to support the greater Queensbury community and/or specific charitable organizations/groups?**

"I contribute to the United Way, Salvation Army, Relay for Life, and my family volunteered this past Thanksgiving serving meals for those less fortunate at the Hometown Thanksgiving. My wife and I are currently co-chairing a "Free to Breathe" walk/run/hike event being held in October at Prospect Mountain. The event is in memory of my sister-in-law, with proceeds benefiting lung cancer research."

"We participate in numerous school and community fund raisers throughout the year, especially toy drives and delivering Thanksgiving dinners. We like to walk during Breast Cancer Awareness month and participate in the Relay for Life. I even played volleyball this year in the Power of Pink Volleyball tournament!"
