

January 2013 - Week 4

**Jason Gutheil,
middle school teacher**

This Queensbury resident has worked in the district for 17 years as a math teacher and baseball coach. Currently teaching in the middle school, Jason has also taught math at the high school level.

**Janice Reynolds,
middle school monitor**

Janice has been employed by the district for 12 years as a greeter, food service worker and currently as a lunch monitor at the middle school. She was also employed as a school crossing guard by the Town of Queensbury for 9 years.

What do you enjoy about being a part of the Queensbury school community?

"I enjoy being in the classroom everyday working with highly motivated and energetic students. Each day I have the opportunity to share my passion for mathematics while incorporating real world applications of Algebra. It is an honor to work along side dedicated colleagues."

"I like being with people, especially kids. I make a point to say hello to them and ask how their day is going. Working on a school schedule allows me to spend time with my family, which is a bonus."

When you're not working, what are some of your favorite interests and activities?

"Coaching with my wife at The College of Saint Rose (2011 NCAA National Champions - Womens Soccer), coaching baseball at QUFSD, golf, fishing, snowmobiling, walks with our black lab, Derby, and taking pictures."

"Walking with my dog or by myself, shopping, eating out, taking vacations, and baking things to bring into school to share with staff."

In what ways do you try to support the greater Queensbury community and/or specific charitable organizations/groups?

"Coaching baseball at Queensbury since 1996-97, attending sporting events to support students, and support for the United Way, soup kitchens, The Jimmy Fun, and the Leukemia and Lymphoma Society."

"My mother had breast cancer, so I am a strong supporter of Relay for Life. Over the last 12 years I have raised more than \$1,000 for the cause. I am also actively involved in my church and work on various committees, and I always support the South Glens Falls Marathon Dance."
