

# 2018-2019 WHBI Lego Club Application

4th and 5th grade students and parents:

We are happy to offer Lego Club again this year. Students construct collaboratively using Lego Education kits. There are four sessions offered to accommodate up to 160 WHBI fourth and fifth grade students. Each session is four weeks. We meet in the WHBI Computer Lab Room 213. Fourth grade students meet Mondays after school and fifth grade students meet Tuesdays. Students work with a partner. Attendance at all sessions is important to maintain project continuity. Please avoid joining other activities that conflict. Packing an extra snack for participants on Lego Club days is suggested.

Thank you,  
Ms. Single and Mrs. Sykes-Bowen  
Lego Club Advisors

Please return the lower section to your child's classroom teacher by the deadline: **Friday, September 21st.**

Student Code of Conduct: Student participant will respect their partner's safety and well-being. Students will not be permitted to build weapons. Respectful and responsible behavior is expected.

---

## Lego Club with Ms. Single and Mrs. Sykes-Bowen
